

## *Product Change Notification*

**Product Change Notification Number: PCN0401005**

**Title:** FT93C46A/56A/66A Process Improved

**Product Identification:**

All Packages and Voltages of the chips, Industrial Temperature.

**Reason for Change:**     Processing             Quality/Reliability             Manufacturing Location  
                                  Logistics                     Material

**Change Description:**

FMD has optimized the layout of the devices. The new devices are compatible with the current FT93CxxA devices. New devices are available in 1.8 voltage and RoHS/Green compliance. Please refer to the Datasheet for the details.

**Identification Method to Distinguish Change:**

There will be a NEW ordering code created for this device. The ordering code will be "FT93CXX-UXX" for industrial temperature, SOP 8L and RoHS compliance, i.e. "U" will replace the "C" and "I" in the original ordering code.

**Qualification Data:**     available             will be available             not applicable

**Samples:**                     available             will be available             not applicable

**Quantifiable Impact on Quality & Reliability:**

Layout change has been performed to improve productivity. The new devices utilize the 0.25u process technology and are a form, fit and functional equivalent of the current devices, which meet all data-book specifications.

**Implementation Date:**            December 01, 2012

**Last Time Buy Date:**            July 01, 2013

**Last Ship Date:**                    August 01, 2013

FMD will deem this change accepted unless specific conditions of acceptance are provided in writing within 30 days from the date of this notice. Information provided herein is in connection with FMD products. No license, express or implied, by estoppels or otherwise, to any intellectual property rights is granted by this document. Except as provided in FMD's Terms and Conditions of Sale for such products, FMD assumes no liability whatsoever, and FMD disclaims any express or implied warranty, including liability or warranties relating to fitness for a particular purpose, merchantability, or non-infringement of any patent, copyright or other intellectual property right. FMD products are not intended for use in a product or system intended to support or sustain life which, if it fails, can be reasonably expected to result in significant personal injury.

FMD may make changes to specifications and product descriptions at any time, without notice.
