**Product discontinuation**

(AS3400, AS3410, AS3420, AS3430, AS3501, AS3502, AS3561)

Dear Customer,

This is to inform that ams AG will discontinue the products listed in the tables below.

Reason for that is that the total demand for these products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product. To make the phase out as convenient as possible for you we are pleased to offer the following conditions:

- Last possible order placement: Jan 31, 2018
- Last shipment: July 31, 2018

We are sorry for any inconvenience this may cause to you and hope that one of our other devices will fit into your application. Our application team will be pleased to support you in evaluating the situation.
